: Dated Aizawl, the 24th August, 2017

To

Subject: Invitation to tender for approval of rates and firms for seeds of different crops.

Dear sir,

Pursuant to the instruction of Govt. of India, the Department is implementing a system of Direct Benefit Transfer (DBT) in most of the schemes under Central Govt. from 2017-2018 onwards. The system (DBT) is an entirely new system where (in case of seed distribution) farmers purchase seeds directly from the seed dealers and whatever amount of assistance he is supposed to get will be transferred to his Bank Accounts on production of receipt for purchase of seeds from the approved dealer.

Hence, the Department is no longer floating Tender for supply of seeds. However, to ensure that farmers purchase only good quality seeds at a reasonable price the Department is planning to issue approved rates and firms for different classes of seeds of different crops for implementation of DBT.

Therefore you are requested to submit your quoted rates for different classes of seeds of different crops as per proforma enclosed to the undersigned on or before dt. 15.9.2017

For further queries please visit our website at www.agriculturemizoram.nic.in and Govt. common website: www.tender.mizoram.gov.in or enquire at Agronomy section, Directorate of Agriculture, Aizawl, Mizoram during office hours.

Note : The Crop like Maize, Field pea and Rajma are selected for cultivation during Rabi season 2017-2018. Therefore, you are requested to include your rate for these crops.

Yours faithfully,

Sd/- J.LALZAMLIANA
Director of Agriculture
(Crop Husbandry)
Mizoram, Aizawl.
